A big THANK YOU for being a part of our team to help students with food insecurity.

We provide a balanced, nutritious food supply to Oregon City's High School students who are in need of meals over the weekend and long breaks. We also try to include a little treat because after all... they are still kids! We appreciate shelf stable, small portions that students can put in a back pack and take with them. We also provide a snack for students that may come to school hungry. Your food donations stay in our community and are distributed through our high school locations.

Please feel free to contact me with any ideas or questions regarding our mission. I'd love to chat with you!

Again, we thank you.

Renee Elting
